Definitions of Treatment Services provided by Mercer County Office on Addiction Services:

Withdrawal Management: provides supervised withdrawal and detoxification from alcohol and/or other drugs. The client is introduced to recovery concepts and additional treatment services, as recommended.

Residential Treatment Programs: provide inpatient service through comprehensive addiction treatment, which includes medical support and social services. Treatment services can range from a 14-day stay to a 45-day stay with up to a 90-day stay for co-occurring disorder clients.

Outpatient/Intensive Outpatient Treatment Programs: include assessment, individual and group therapy, family therapy, and referral to other appropriate Services.

Important Emergency Hotlines

1. REACH NJ Helpline: 1-844-732-2465 or 1-844-REACHNJ (24/7)

ReachNJ is a central call-in line for New Jersey residents who are looking for help with a substance use disorder (SUD). Each call to ReachNJ is answered by a live person in the first 30 seconds. Trained staff will screen callers to identify their exact needs, and are able to provide referrals to supportive services and a seamless connection to a local treatment provider. ReachNJ serves NJ, residents of all ages, regardless of insurance status or ability to pay.

2. NJ Addictions Hotline: 1-844-276-2777 (24/7)

To access treatment services for adults statewide through New Jersey FamilyCare/Medicaid or funding through the fee-for-service system at the New Jersey Department of Human Services, Callers are screened for financial eligibility and clinical need; if the caller is eligible for services, he or she will be given a referral for treatment

Treatment Access for Substance Use Disorder

To access treatment paid for by Mercer County, an individual must be a county resident, have no insurance, or be underinsured and unable to afford services.

For more information, please contact the Office on Addiction Services:

- **Phone:** (609) 989-6897.
- **Hours:** Monday-Friday from 8:30 a.m. to 4:30 p.m.

You will be scheduled for an assessment with a local provider. Following assessment, the level of care will be determined, and a referral for the appropriate services will be made by an outpatient provider.
