The New Jersey Health Care Quality Institute’s Mayors Wellness Campaign runs a program called Conversation of Your Life in Bergen, Burlington, Camden, Gloucester, Mercer, Middlesex, Monmouth, and Somerset Counties. The goal of Conversation of Your Life is to encourage more individuals in New Jersey to engage in fruitful dialogue — the Conversation of Your Life — to let individuals’ friends, family, or doctors understand and respect their end-of-life wishes through advance care planning. Conversation of Your Life is generously supported by The Horizon Foundation for New Jersey. To learn more visit: [www.njhcqi.org/COYL](http://www.njhcqi.org/COYL).
